Re: Work/detainer  
Date: 4-09-07

I AM writing you to enquire about working in the state institutions. Since I have a detainer with the feds the institutions isn't letting me work unless you give me permission. Can you send me and the prison a letter stating that I can work in the prison. I've also been trying to get my detainer on my V.O.P thrown out but nothing has happen.

Sincerely  
David Pennewell
